

**Ukiah Garden Club**  
**Programs**  
**2014-2015**  
"67 Years and Growing"

**2014**

**Sept. 10, 2014 Potluck Luncheon/Honoring Past and Present Board Members 12:30 p.m.**

Program: We will review activities for the coming year and will announce the starting of Interest Groups. A report of the State and District meetings will be given.

**Oct. 8, 2014 Guest Day - Catered Lunch (Reservations required. Cost is \$17.00 per person) 12:30 p.m.**

Program: Fall Fantasy

Presenters: Members of the new UGC Flower Arranging Interest Group

Fall arrangements will be displayed. All levels of talent will be represented and each design will be explained regarding type and materials used.

**Nov. 12, 2014 Big Island Hawaii –Flora and Fauna history and status 12:30 p.m.**

Presenter: Bob Kieffer

Bob, born and raised in Mendocino County, has had a long-time interest in wildlife and birds. He is the founder of the local Peregrine Audubon Chapter here in interior Mendocino County. He has been at the University of California's Ag and Natural Resource Division – Hopland Research & Extension Center for 30+ years, mostly as Principal Supt. of Agriculture. During this time he has collected and archived bird observation data from Mendocino County. He always extends his birding knowledge while on travels... and views and photographs flora and fauna while on these travels. He will share some unique facts about the "Big Island" of Hawaii.

**Dec. 7, 2014 Open House Tea and Holiday Sale 12 p.m. – 4 p.m.**

**2015**

**Jan. 14, 2015 Wild at Heart--Living with Exuberant Ramblers 12:30 p.m.**

Presenter: Pamela Temple

In writing about Pam, Carolyn Parker, author of "R is for Rose", says "Pam lives and dreams roses in an artful life that breathes their limitless possibilities". Pam will speak on the Rambler project to preserve this class of roses.

**Feb. 11, 2015 Irises 12:30 p.m.**

Presenter: Kitty Loberg

"Kitty continues to attend large annual treks of iris garden tours. She will show slides of this year's visit to Oregon gardens which is a year in advance of the American Iris Society National Convention in 2015, and also gardens of the Region 14 A.I.S. Spring Regional. It's always great gardens and exciting newer Irises!"

**March 11, 2015 Vegetable Gardening**

**12:30 p.m.**

Presenters: Master Gardener, Gloria Jarrell and other Master Gardeners

These Master Gardeners will discuss types of plants, varieties, preparing the soil, fertilizing, planting, saving of seeds—all things to do to have a successful vegetable garden.

Each member should WRITE a favorite, short vegetable recipe on the front side of a file card. BRING IT so we can print a recipe book for our members.

**April 8, 2015 Landscaping with California Native Plants**

**12:30 p.m.**

Presenter: Jerry Shaul

Jerry, who has been a garden club member for the past 39 years, has served as California Native Flora Chairman during much of this time. As a result of the severe drought period of the 1970's he decided to landscape his 2 acres with drought tolerant plants—particularly those native to Lake County. He will tell us about the Dos and Don'ts of putting native plants under cultivation.

**April 14, 2015 Bouquets of Arts Tour, San Francisco.** Carpool leaves at 7:30 a.m. at the clubhouse.

**April 15, 2015 Tour of Jerry and Jo Shaul's Native Plant Garden outside Lakeport.** Carpool leaves at 9:30 a.m. at the clubhouse.

**May 13, 2015 Potluck Luncheon, Installation of Officers, Plant Exchange and Payment of Dues**  
**12:30 p.m.**

Bring a favorite dish to share and a plant to exchange.

We will be discussing summer activities.

Membership Dues are due and payable in advance for the period July 1, 2015 to June 30, 2016
